### President's Message

#### ECL/Coleman Place Annual Holiday Party

The Holiday Party at the civic league will be on Tuesday, Dec 19. Sandra and Fred Gallup have graciously volunteered to provide the traditional holiday meal for the community. **Each of us can bring a dessert to share.** We will be installing officers, singing carols, listening to a Christmas story, sharing wonderful food and enjoying each others company. All are welcome and membership applications will be available.

The Annual Community Yard sale was a great success! We thank you for your time and talent in supporting the efforts of the civic league to raise the money for a new floor and refrigerator in the building. **We earned over \$788**. That should be enough for a new refrigerator but not for a new floor. We will put the floor on our list of goals for 2018.

Nominations from the floor for those who want to serve on the Board of Directors will be open at the Nov meeting. If you would like to serve the community, we want you as part of a committee or a member of the Board. If you have a special interest or talent, we want to know.

How can we make the civic league more relevant to your needs as a member of the community? We will be planning our activities for 2018 in January. Is there anything you would like to see addressed?

2018 civic league **dues** are \$10/adult each calendar year. For all paid members we will have great prizes and a drawing at the Holiday Party. Pay your dues and be entered to win!

November 7 is **VOTING DAY!** The Norfolk Office of Elections will use paper ballots with optical scanners at each polling place. Polls are open from 6 am to 7 pm. Vote for the candidate of your choice.

ECL/Coleman Place now meets 3rd Tues. of each moth at 7 pm.

*It is an orderly universe, an the suffering  
that comes to us has a purpose in our lives-  
it is trying to teach us something. We should look for its lesson.*

### ECL Community Service Project by Wonder Kears

September is hunger action month: Statistics show that there are 171,000 people living in South Hampton Roads and the Eastern Shores without food and 42,000 are children. As individuals, businesses, and organizations, we all have a role to play in providing food for our neighbors in need. Let's stand together and speak with one voice. Let's spread the love and word about the hunger crisis in our community and dedicate ourselves to the solution. So won't you please donate updated non-perishable food and/or money to the Civic League? Let's be a blessing to others.

### KNOW YOUR ZONE

Check out the new zone evacuation map from the Virginia Department of Emergency Management [www.vaemergency.gov](http://www.vaemergency.gov). You can also learn how to prepare and prevent loss; creating an emergency supply kit; and information about past VA hurricanes. It looks like we are in Zone C or D. The zones allow emergency managers to communicate with citizens who are most at risk as a storm approaches. In case of an emergency, emergency managers at the state and local level will work with local media and use social media and other tools to notify residents of impacted zones what they should do to stay safe. Depending on the emergency, being safe might mean staying at home, a short trip to higher ground, or traveling to a different region of the state.

Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny. Martin Luther King
